

About

Curious and committed, I approach every project with dedication and a focus on delivering thoughtful, high-quality results. **I thrive in collaborative environments, fostering trust and supporting team growth.**

As an architect, I am drawn to large-scale projects, urban projects, residential architecture, and landscape design. **I aim to balance integrity, functionality, and aesthetic quality**, ensuring each design is coherent, purposeful, and engaging.

With a **strong creative vision and sensitivity to context**, I see design as a way to enhance and celebrate existing spaces. I embrace challenges that expand my skills and perspective, approaching every opportunity with commitment to make a lasting impact.

Experience

Architect / Designer
Estudio Búlgaro – Córdoba, Argentina | Nov 2023 – Nov 2024

- Developed and conceived architectural projects, from interior renovations to single-family homes.
- Utilized BIM technologies to produce technical documentation and drawings.

Architect / Designer
Universidad Siglo XXI – Córdoba, Argentina | Jun 2023 – Oct 2023

- Collaborated with architects to design workspaces and coworking areas tailored to customer needs.
- Produced technical documentation from concept to implementation.

Freelance Architect
Córdoba, Argentina | Aug 2023 – Dec 2023

- Created technical dossiers and graphic presentations for clients and institutions.
- Utilized Adobe Creative Suite and AutoCAD for clear, professional documentation.

Landscape Architect Assistant
Paola Trettel, Landscape Architect | Sep 2022 – Apr 2023

- Designed residential landscapes, gardens, and outdoor spaces with focus on functionality and aesthetics.
- Collaborated with the lead architect to ensure design coherence and client satisfaction.

Teaching Assistant - Urbanism
Universidad Nacional de Córdoba | 2023 – 2024

- Assisted in design critiques, workshops, and student guidance, gaining pedagogical insight into design processes.
- Supported course materials, presentations, and documentation for urban and architectural studies.

Intern – Urban Planning Department
Municipality of Villa Allende | May 2022 -Jul 2022

- Designed three public spaces, ensuring functional and aesthetic quality.
- Produced technical drawings and documentation for municipal approval.
